

# Training to become a Pilot

Fulfill your dream and takeoff for your training to become an Air Transport Pilot!

With its acknowledged qualification program, Lufthansa Pilot Training prepares you within a mere two years for a fascinating workplace.

As one of the largest and most well-known airlines worldwide, Lufthansa has successfully accepted the challenges of globalization and liberalization. Today, Lufthansa is a highly profitable airline and an industry pacesetter. Lufthansa Passenger Airlines offers flights to more than 200 destinations in about 80 countries and commands more than 340 aircraft. Lufthansa would like to further expand their success – maybe very soon with you in the cockpit.

## Facts

- Within 2 years, you will be qualified in Bremen and in Phoenix/Arizona to become a Pilot.
- The training which is carried out both in German and English is divided into four phases. The qualification ends with the attaining of your Multicrew Pilot Licence (MPL).
- The training costs are completely pre-financed by Lufthansa. You need only cover your living and lodging costs in Bremen.
- If you receive a contract from a Lufthansa Group company upon completing your training, you will then contribute to your qualification costs: your individual stake is 60,000.- Euros which you will pay off at a monthly rate beginning from 255.10 Euros.

## Requirements

- General or specialized university entrance qualification (advanced technical college qualification is not sufficient)
- National of an EU country and/or unlimited residence permit for Germany, holder of a passport without restrictions
- Fluent German and English language skills
- Sense of responsibility, discipline, dependability, and team compatibility
- Good physical constitution
- No record in the Central Register of Traffic Offenders pertaining to alcohol or drug consumption and/or amounting to more than 5 points
- Vision: +/- 3 diopter
- Height between 1.65 and 1.98 meters
- Age: when training begins between 18 and 29

## Training begin

Our courses at the Flight Training School begin almost every month.

## Application period

- Online applications are possible at any time, however no earlier than 18 months before your desired training begin date.
- The necessary aptitude tests at the German Aerospace Center take place nearly every week.
