

Training to become a Specialist for Insurance and Finances at Delvag Luftfahrtversicherungs AG

Are you interested in the insurance business but also in the internationality of a world Group?

During your vocational training with Delvag Luftfahrtversicherungs AG, you will receive sound knowledge regarding both the insurance business, as well as the Lufthansa aviation Group.

With over 80 years of experience Delvag has its traditional focus in the aviation and transport industry. Together with the broker Albatros and the re-insurer Delvag Rück it has formed an insurance group which is unique in the airline business.

As a Specialist for Insurance and Finances with the Delvag Group, you will work for example in the areas of aviation insurance, insuring transport risks or company risks, or advising Group employees regarding all insurance protection issues.

Facts

- Within 2 ½ years you will be qualified by Delvag Luftfahrtversicherungs AG to become a Specialist for Insurance and Finances.
- You will receive your practical training with the Delvag Group. Here, you will gain insurance knowledge focused on the aviation and transportation sector. Additionally, you get to know selected departments within the Lufthansa Group (Lufthansa Cargo).
- You will acquire your theoretical knowledge in three vocational school learning phases, as well as by way of interplant training during your practical qualification.
- After approximately 2 ½ years you will pass your final tests to become a Specialist for Insurance and Finances in front of the IHK Köln (Chamber of Commerce in Cologne).
