

Training to become a Cook at Lufthansa Training & Conference Center in Seeheim

During your training to become a Cook, aside from learning how to produce international dishes you will also find out how to use modern kitchen techniques and appliances.

You will furthermore gain extensive insight into catering processes and become adept at creating a menu plan, presenting products, and advising guests.

Adhering to hygiene and quality assurance standards is as much part of your qualification as material disposition and the calculation of costs and prices.

Facts
