

## School pupil internship with Lufthansa

Throughout the entire year, the Lufthansa Group enables interested pupils to get to know the corporation's diverse and exciting areas of operation during a technically or commercially-oriented internship.

Most of the opportunities are in the technical aviation fields and are offered by Lufthansa Technik AG at their locations in Hamburg, Frankfurt, and Munich.

Since these internship positions are very popular and we receive a large amount of applications, we suggest that you send us your application at least 18 months before you would like to start.

It is also recommended to inquire in advance, in written form, as to the availability of open pupil internship positions in a certain field, at a certain time.

To do so, please get in touch with the following persons:

- for **Hamburg:**

- Commercial internships: Mrs. Margit Harms (margit.harms@dlh.de)
- Technical aviation internships: Lufthansa Technical Training GmbH  
HAM US/A-2  
Kerstin Sixt  
Weg beim Jäger 193  
22335 Hamburg

- for **Frankfurt:**

- Technical aviation internships: Mrs. Marion Altschaffel (marion.altschaffel@dlh.de)

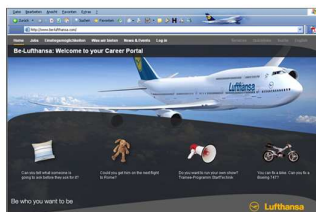

- for **Munich:**

- Technical aviation internships: Lufthansa Technical Training GmbH  
MUC US/A-6  
Melanie Haydn  
Wartungsallee 1  
85356 München-Flughafen

Your application should include the following documents:

- Cover letter with internship dates
- CV with photograph
- Copy of your last school report card
- Information sheet from your school confirming that you are to absolve a working experience internship

Please also describe in a few words why you are interested in an internship at Lufthansa Technik AG.
