

School student internships with LSG Sky Chefs

LSG Sky Chefs gives interested school students the chance to experience its diverse and exciting areas of operation through an internship.

The **Munich** airport offers internships in the field of hospitality service. Through these positions, school students will gain insight into the catering apprenticeships that educate future cooks, system catering specialists or hospitality services specialists. For future restaurant specialists you can only participate in an information day due to safety regulations.

The **Frankfurt** airport offers internships in the field of commercial and hospitality services. School students have the opportunity to learn about details of the training programs that produce cooks and system catering specialists.

LSG Sky Chefs does not offer internships at other locations.

Since these internships are extremely popular and we receive a large number of applications, we recommend that you submit your application at least 1 year before you would like to start. We also suggest that you send ask us in writing about the available internship positions for your desired time frame.

Flight Attendant, Pilot, and Service Agent Check-In internships are not available at Lufthansa for safety and legal reasons.

If interested in a school student internship, please contact the following:
