

School student internship with Lufthansa Technik

Lufthansa Technik gives interested school students the chance to experience its diverse and exciting areas of operation through an internship.

Lufthansa Technik AG offers internship opportunities in various technical aviation fields in Hamburg, Frankfurt, and Munich. Internships at Lufthansa Technik allow an insight into technical apprenticeship programs for occupations such as aircraft mechanics and tool mechanics.

Since these internships are extremely popular and we receive a large number of applications, we recommend that you submit your application at least 12 to 18 months before you would like to start. We also suggest that you ask us in writing about the available internship positions for your desired time frame.

Flight Attendant, Pilot, and Service Agent Check-In internships are not available at Lufthansa for safety and legal reasons.

If interested in a school student internship, please contact the following:

Technical Aviation Internships in Hamburg

Orientation for school graduates interested in the following apprenticeship occupations:

- Aircraft Mechanic (Maintenance)

Administrative internships are not possible in Hamburg.

Lufthansa Technical Training GmbH
HAM US/A-2
Margit Harms
Weg beim Jäger 193
22335 Hamburg

Technical Aviation Internships in Frankfurt

Through the internship, students can learn about the following occupations:

- Aircraft Mechanic
- Aircraft Electronics Technician

Please contact Ms. Marion Altschaffel (marion.altshaffel@dlh.de) to inquire about the time frame.

Technical Aviation Internships in Munich

Orientation for school graduates interested in the following apprenticeship occupations:

- Aircraft Mechanic (Maintenance)

For security reasons, only 1-week internships are possible.

Lufthansa Technical Training GmbH
MUC US/A-6
Melanie Haydn
Wartungsallee 1
85356 München-Flughafen

Your application

Your application should include the following documents:

- Cover letter with desired time frame
- CV with photo
- Copy of your last report card
- If necessary, a written confirmation from your school that this is work experience

We also ask that you describe in your application why you are interested in an internship with Lufthansa Technik AG.

We wish you every success!
