

# Bachelor or Master Thesis

With Lufthansa, you can select Bachelor or Master thesis topics from all corporate areas. We will support you with the practical experience of an international Group by imparting background knowledge, and placing competent experts at your side to be your tutors. You will then discuss with your tutor just how closely you would like to work with us on your topic.

Completing a Bachelor or Master thesis with the support of our company is particularly suitable to scholars from informatics, economics, engineering, mathematics, and other associated fields.

## Requirements

- Outstanding academic performance
- Previous practical experience
- Social and intercultural competence
- Shown commitment outside of the scope of study
